

Vans, pickups and larger trailers must be booked in using the [van booking page](#) before visiting any Gloucestershire County Council Household Recycling Centre.

## Vans and pickups

*Van examples. Up to 3.5t maximum gross weight:*

Large van

Small van

Combi van

*Pickup examples. Up to 3.5t maximum gross weight:*

Pickup (including covered)

Cabbed pickup

Covered cabbed pickup

Note: any vehicle with fully or partially panelled sides will need to be booked in. The only exception to this is camper vans but only if they are clearly fitted out as such. In this instance, camper vans can be booked in using the [car booking page](#) instead.

## Trailers

All large trailers must be booked in using the [van booking page](#). A large trailer is one with a load area greater than 6 x 4ft (1.8 x 1.2m).

**It is illegal for a business to deposit waste at any of our recycling centres, so making bookings helps us minimise commercial waste. We monitor the bookings and the materials deposited at our centres to make sure that businesses and traders are not using them.**

**Site staff may refuse access (even if the vehicle or trailer is booked in) if there is reasonable suspicion that the waste being carried is from a business source.**
